

WOODEN VENETIAN BLINDS DATASHEET

Solarglide's Wooden Venetian Blinds provide the perfect modern and stylish solution for yacht, ferry and cruise liner interiors.

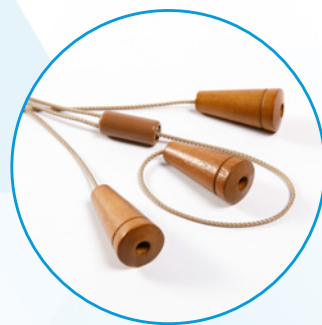

These boat blinds are ideal for master cabins, galleys, restaurants and public spaces. All blinds are manufactured to order on your specifications, with a speedy three week turnaround time.

We offer manually operated venetian blinds aswell as fully motorised. Suitable for use with Somfy Sonesse 40-6/20 and Sonesse 40-912 RTS or WT motors. Information on request.
