ALUMINIUM VENETIAN BLINDS

MARITIME & YACHT SHADING SOLUTIONS

Solarglide's Aluminium Venetian Blinds provide the perfect sleek and stylish solution for yacht, ferry and cruise liner interiors. These boat blinds are ideal for ensuite bathrooms, cabins, galleys and restaurants, our Venetians really do tick all the boxes.

Whilst not being complete blackout blinds, our Venetian boat blinds provide sunlight during the daylight hours and complete privacy at night times, making them a versatile option for wherever you need them.

Our blinds are moisture resistant, as well as UV resistant and glare resistant to withstand the harshest of sea conditions, and are rigorously tested to ensure quality is at an absolute maximum.

Child safe, beautifully crafted and manufactured in the UK, our Venetian blinds can be customised to your exact specifications including slat width, colour, and curvature which makes them perfect finishing touch for luxury yachts, superyachts, custom made barges and cruise ships alike.

These look great when paired with a stylish, sheer boat curtain or voile to give any interior a light and airy feel.

All blinds are manufactured to order on your specifications, with a speedy two week turnaround time.

WANT TO KNOW MORE? OUR PLEASURE:

Available in textured, hammered or coloured slats with chrome acorns and cable guide fixtures

Can be matched to interior colour schemes to provide the perfect finishing touch

Available in 16mm, 25mm, 35mm and 50mm slats

Rectangular and shaped Venetians available to order

Attached to a slim headrail, each blind has a lift cord and tilt wand for simple operation

Ideal for providing privacy, light and temperature control, protection from UV radiation and glare

Perfect for marine environments and fully child-safe

And all available in a quick turnaround of only two weeks
